### KINDERGARTEN RELEASE FORM

Dear Kindergarten Parent,

For the safety of our kindergarten students, it is our practice to have a parent, guardian or sibling present, to meet or acknowledge your kindergarten student when the bus arrives to drop him/her off at their bus stop.

Please check one of the following selections below that may apply and include all names of the individuals authorized to receive your kindergarten child. If your kindergartner is riding home with other siblings and it is ok to get off with them, please include their names as well.

If we do not have written consent to drop off your kindergarten student without a parent, guardian, or sibling present, the "Bus Driver" will return your child back to their school and it will be your responsibility to pick him/her up.

Please fill in the blanks and check all that apply. Please do not forget to include all the names of individuals where needed.
