

**Evergreen Public Schools
Non-district Transportation Agreement**

There will be times when District or bonded transportation will not be available for sports practices and/or games. In this instance, private vehicles will have to be used, driven by students as well as adults. Written and signed permission from each athlete's parent(s) or guardian(s) for the student to be transported by private vehicle must be on file at the school. Each vehicle operator must be licensed and carry liability insurance coverage required by Washington State Law. If an athlete or student is the driver, the parent(s) or guardian(s)s signature(s) must be on a Driver Acknowledgement Form, along with the student's signature. All automobiles used for transportation should be in safe operating condition and the driver a responsible individual.

Parent Permission for Athletic Events

I hereby give my consent for my son/daughter to be transported by private vehicle for athletic/activity practices, games, interschool competitions and other related activities where bonded transportation is not available. We/I agree to release the Evergreen School District, its employees, agents, representatives, coaches and volunteers from any liability in connection with being transported by private vehicle.
